

Deflazacort

Revised: December 3, 2018.

CASRN: 14484-47-0

Drug Levels and Effects

Summary of Use during Lactation

Because no information is available on the use of deflazacort during breastfeeding, an alternate corticosteroid may be preferred, especially while nursing a newborn or preterm infant.

Drug Levels

Maternal Levels. Relevant published information was not found as of the revision date.

Infant Levels. Relevant published information was not found as of the revision date.
