

## Disulfiram

Revised: September 19, 2022.

CASRN: 97-77-8

## Drug Levels and Effects

### Summary of Use during Lactation

Because no information is available on the use of disulfiram during breastfeeding, an alternate drug is preferred, especially while nursing a newborn or preterm infant. Drug labeling recommends that disulfiram not be given to nursing mothers.

### Drug Levels

*Maternal Levels.* Relevant published information was not found as of the revision date.

*Infant Levels.* Relevant published information was not found as of the revision date.
