

The Native American Cultural Assessment Survey is a useful tool to help you evaluate the cultural competence of your entire program, but it can also be used to give you a sense of how well your organization is doing in recruitment and hiring, providing culturally responsive training and supervision to your staff, and offering opportunities for staff immersion in the local tribal culture.

NATIVE AMERICAN CULTURAL ASSESSMENT SURVEY

Date: _____ **Facility Name:** _____

Directions:

Please provide information regarding the extent to which substance abuse programs in *[insert your state]* provide policies, programs, and services that reflect *[insert Native American tribes/groups found in your state]* cultures.
